World Wellbeing Week

It's World Wellbeing Week this week, and as the end of the school year approaches, it's never been more important to find moments of calm in our busy timetables. To help, we were delighted to offer Wild Tribe sessions to all our children to promote wellness. A massive thank you to Mrs Bunt for her planning and expertise in ensuring that the children all had a fabulous time surrounded by nature.

Woods and trees are known to have stress-busting, mood-boosting superpowers, and so we enhanced the children's well-being in a range of lovely activities such as nature crowns, woodland walks, den building, cooking food on a camp fire. These activities have a positive impact on wellbeing.

We are also delighted to now be working with the Mental Health Support Team from Cornwall Partnership, NHS Foundation Trust. They will be helping us to deliver a range of wellbeing workshops.

We have been requested by local organisations to include the community events detailed below. These are not endorsed by St Neot.

Online bookings for the Time2Move Holiday Programme this Summer are now OPEN! Time2Move.HolidayProgramme@cornwall.gov.uk
