CORNWALL SCHOOL GAMES

On Friday 1st July Neave, George, Harley and Abbie all went to Poltair College to play tennis. It was really fun because they had a massive stage with loads of music. There was around two thousand people from all events. We had five games of tennis then the presentation. We were all very excited when we were announced first and we all got a medal and one trophy-report by Neave Bunt. It was a pleasure to accompany the four St Neot tennis players to the finals of the Mini Tennis Orange Ball competition at the Cornwall School Games on Friday 1st July. On arrival the children enjoyed the opening ceremony where they experienced dance performances from the local schools and saw members of the Cornwall Rugby teams. The event saw somewhere between 2000 to 3000 primary and secondary aged children competing in various sports.

The children each played 5 singles matches and it was clear they enjoyed the challenge. The children put a huge effort into winning every point and won the majority of their matches! All of the children showed great maturity and sportsmanship when points went against them. It was a delight to see them take first place in the competition and return to St Neot as the Cornwall School Games Mini Tennis Orange Ball Champions-report by Sarah Zoffman

Huge thanks to the parents who accompanied the children to this event, your support is invaluable.
