### Head Teacher Awards

Acacia    Jacob  
Ruan W    Summer

**Congratulations to 100 club winner Number 37**

St Neot Carnival are looking for a new Carnival King or Queen for this year's Carnival which is on Saturday 24th August.

The Royalty Choosing party will take place at St Neot school on Friday 10th May, 5-6.30pm. No admission fee but please bring a plate of party food. Your child does not have to enter the Royalty Choosing, but if they wish to enter a consent form will need to be signed.

The Children in Loveny Class will be holding a cake sale on Monday 13th May. Cakes will be sold at break time for 50p. If there are any left they will be sold after school.

# DISCOVERY DAY

This Discovery day was based on well-being and children's mental health. Our workshop looked at Friendship and how friends can support us to have a happy and joy filled life. Every child in the school had the challenge of creating a friendship bracelet and working with younger children to produce bracelets. All the children in the school were very supportive to each other and every group got rewards for brilliant behaviour and demonstrating the qualities of a good friend.

'Firstly, we went down to the Doorstep Green and sat. We closed our eyes and Listened to the songs of nature, the birds singing, the river journeying and the wind whispering. We reflected on how these sounds calmed us and how our hearts felt listening to the different songs. We then walked round the Doorstep Green foraging for fallen petals and flowers and leaves etc. With our new found treasures, we then created land art pictures or sculptures such as a spider catching flies in a web and a fairy garden.

One group looked at a fantastic story called 'Enzo's Egg', which showed us the importance of friendship and how we can support each other. Then, we played team games to build our resilience and self-esteem. We had an amazing day!

# Well-being Champions Oliver and Lillian

‘After our well-being discovery day, we took an assembly to ask all of the children in the school if they thought the day had improved their well-being and how they could look after themselves and each other.’
