National Sports Week

It's National School Sports Week, June 19-June 25. The theme is 'Play for fun, Play for 60'.

The government ask that children are active in school for 30 minutes, and then outside of school for another 30 minutes. There is so much that all young people can gain from PE and school sport - connecting with others, developing important life skills and improving both their physical and mental health.

We are proud that each of our children receive at least 2 hours of PE per week, plus active break and lunch times each day. We also offer a range of sports in after-school clubs to develop children's fitness, skills and teamwork.

We hope you enjoy our sports' evening. Lily said, 'It's great to exercise and have fun.'

GUITAR ASSEMBLY

On Thursday we were delighted to watch the children who have been learning to play the guitar perform to an audience. Some children sang and performed their own songs.

Thank you to everyone that came and watched. We think that they all did amazingly well and we hope that you enjoyed it as much as we did.
