A message from Mrs. Bowden

As we come to the end of another academic year, I would like to say a huge thank you to staff, parents, pupil's extended families and the community for your continued support and dedication to making St Neot School such a wonderful place to learn and develop an understanding of the world around us. Our children have been able to participate in many activities this year including theatre trips, scootering, concerts, swimming, Wild Tribe and Discovery Days, the children have said how much they have enjoyed these. Many thanks to the PTA who have helped to fund these activities. We already have many opportunities in mind for next year to extend our extra-curricular activities. We are very lucky at St Neot School, to have so many volunteers who are dedicated to improving the education of every child by hearing them read, helping with maths, developing their creative side, sporting activities and helping with after school clubs. Without their dedication our children wouldn't experience the variety of opportunities they do. Most of all I would like to say how proud I am of all the children at St Neot School. It has been an absolute pleasure to see each individual child develop their skills and understanding, I have seen them thrive and flourish. I wish the Year 6 children every success in their new school and look forward to hearing about their new experiences. Last of all, I hope you all have a restful, safe and enjoyable summer holiday.

Best wishes, Sam Bowden

Parent Survey Results

Thank you for taking the time to fill in the parent survey. We appreciate that so many of you took the time to fill it in.

We would like to clarify a few points; Red pen is used by pupils to edit and improve their own writing.

Mental Health—please check the newsletter regularly and also the website to see all the amazing activities the children participate in.

There were many positive comments. We would like to thank you all for your continued support.

We are delighted to announce that we have achieved the School Games GOLD Mark Award for the 2022/23 academic year. The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success. Our sporting achievements this year include, all children have at least 2 hours of PE timetabled each week, all children participated in sports' evening, years 1-6 had swimming lessons with 67% year 6's achieving 25m, girls' football tournament and festival attended, lots of success at cross country for our KS2 children. We are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible. As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year. We look forward to applying once again in 2024! - Mrs Gouge.
