NATIONAL TEST RESULTS

Huge congratulations to our Year 6 children who have excelled in their SAT's. At St Neot School we have a proud tradition of starting the children's educational journey in Nursery and building their knowledge, understanding and skills as they move through school. This knowledge culminates in the National Tests in May and sets them up for life at secondary school. We are fortunate to have talented and experienced staff at each key stage to support the children with their learning and I am very grateful to the whole staff team for consistently helping all our children to reach their goals.
