Aylward:	81	Davy:	71	Trevithick:	82
Total:	1442	1752	1515		

**Well done to you all**

### What is Doxing? - South West Grid for Learning

What do young people want to be? Well, as I'm sure you're aware many of your pupils are now aiming to become YouTubers, DJs and TikTok stars. For many these dreams will fade, as they mature into older students and want to break out from beyond the screen into the real world. But all their online activity, from posting video clips to dropping a soundtrack on a Spotify account will remain forever. This opens a vulnerability window that will never close, as the internet is plagued with individuals who will seek to do harm to the media poster in question. Whether for financial gain or just because they feel like it, online spectators can easily find out key details about an individual's life. Their place of work, their home address and their identity. But what happens, when these malicious spectators decide to publish this information publicly rather than harvesting it for themselves? Over at the South West Grid for Learning, they've written an article answering that question. If interested, please follow the link below:

### Wellbeing

Children's wellbeing is very important to us at St Neot School, if you have any concerns please make contact with your child's teacher. Mrs Bowden is the Mental Wellbeing Officer, if you have any concerns please don't hesitate to contact her. Mrs Martin is our wellbeing Teaching Assistant. Support can also be found on the Headstart Kernow website: Parents : Headstart Kernow

Each child has chosen their safe person in school, please ask them who this is. For those in Nursery your child has a key person who writes in their daily journals.

The School Council have agreed that a friendship bench would be beneficial on the top and bottom playground. Thank you to the PTA as we are able to purchase these for them.

We have Wellbeing Wednesday's when the children come into class listening to calm music and the activity this week was to draw a friend they can talk to. Our focus for Discovery Day on Friday 19<sup>th</sup> April is wellbeing, the children will go into their house teams and enjoy activities throughout the day.
